

FINANCIAL AND COMMERCIAL

Monday, April 23—6 P. M.

Dullness continues to prevail in business circles. Capitalists are not so anxious to place their money as they were a week ago, and paper money is less easily obtained. Foreign exchange closed very dull at 105 & 106 for bankers' bills.

The stock market opened quite buoyantly this morning, and better prices were obtained for everything on the list. At the close of the board, however, prices fell off a fraction, and the market remained dull between the boards.

In the afternoon the market was a shade lower, but rallied, and closed firm. At the morning board Virginia rose 1/2, Missouri 1, Pacific Mail 5, New York Central 1/2, Erie 2 1/2, Reading 1/2, Michigan Central 1/2, Galena 3/4, Toledo 1/2, Book Island, 1/2. The coupon 6's of the general government fell 1/2 per cent, but Treasury notes advanced 1/4. At the second board a moderate business was done, at a slight decline from the morning's prices.

The following table will compare the exports of the seven principal staple articles for the week—

The following is a comparative statement of the value of exports from the commencement of the year to April 25—

The movement of the banks in the four principal cities of the Union, in which weekly reports are made, as shown by their last statements, is as follows—

Table with columns for City, Assets, Liabilities, and other financial metrics for New York, Boston, Philadelphia, and Baltimore.

The following paragraph from the Missouri Republican of the 24th instant gives a little better prospect for the payment of the July interest on the Missouri State debt—

The Merchants Bank yesterday passed a resolution tendering to the authorities of this State a loan of money for the purpose of enabling the State to procure securities for a more efficient organization of the militia and to provide arms for defense. We do not know that there were any serious objections to the proposition, but we presume that the other banks will, if it be desirable to do so, make a like tender.

CITY COMMERCIAL REPORT. Monday, April 23—6 P. M. The market was firm and closed at an advance of 1/2 per cent.
